

1. The following Tables (1-4) detail all ACS assessments currently available.

Table 1 (Domestic Natural Gas)

Assessment Title (Abbreviated)	ACS Code	Range
1. Core Gas Safety	CCN1	Core Domestic Gas Safety Assessment Criteria –NG .
2. Central Heating Boilers	CEN1	Install exchange service repair breakdown and commission domestic gas fired central heating/hot water boilers and circulators up to 70kW.
3. Cookers	CKR1	install exchange service repair breakdown and commission domestic gas cooking appliances
4. Cooker Boilers	CKHB1	Install Exchange service repair breakdown and commission domestic gas Range Cooker/ Boiler appliances.
5. Ducted Air Heaters	DAH1	install exchange service repair breakdown and commission domestic gas fired ducted air heaters of rated input not exceeding 70kW
6. Forced Draft Burners	DFDA1	Install, Exchange, Service, Repair, Breakdown, convert and commission Gas Appliances fitted with forced draught burners in domestic dwellings.
7. Space Heaters	HTR1	Install Exchange service repair breakdown and commission domestic open, Balanced and Fan assisted Flued ,Flueless Gas fires wall heaters and Stoves
8. Swimming Pool Boilers	HWB1	Install exchange service repair breakdown and commission hot water boilers 15-140kW (may also be used with commercial (NG /LPG)
9. Domestic Laundry Appliances	LAU1	Install Exchange service repair breakdown and commission domestic gas laundry appliances
10,. Leisure Equipment	LEI1	Install Exchange service repair breakdown and commission domestic gas leisure and Miscellaneous equipment/appliance
11. Meters up to U6 (6m ³)	MET1	Install Exchange Remove and Commission Domestic Gas Meters (up to 6 m ³ p/h)
12. Instantaneous Water Heaters	WAT1	Install Exchange service repair breakdown and commission domestic gas Instantaneous water heating appliances.
13. Combustion Performance Analysis (CPA)	CPA1	Defined in BS 7967 (Parts 1- 4) the use of an electronic analyser to check CPA.
14. Changeover – Commercial to Dom NG	CoCDN1	Change over Commercial to Domestic NG
15. Changeover – LPG to Domestic NG	CoLPNG1	Changeover Domestic LPG to NG.

Table 2 (Emergency Service and Meters)

Assessment Title (Abbreviated)	ACS Code	Range
16. Emergency Service/Meter Installer	CESP1/CMA1	Emergency Service Provider & Meter Installer Core
17. Meter Installer Limited Scope	CMA 2 LS	Install, & Remove Gas Meter up to U6 (does not include connecting to outlet supplies
18. Meter Instrumentation	CMIT1LS	Limited Scope Safety assessment for gas meter instrumentation operative.
19. Changeover - Dom NG to CESP1	CoDNESP	Change over Core Domestic Natural Gas CCN1 to Emergency Service Provider CESP1
20. LP Diaphragm & Rotary Meters	CMET1	Install Exchange Remove & Commission Low Pressure Diaphragm and RPD Meters. N.B. holders of CMET2 do not need to hold MET 1 MET 2 OR MET 4
21. Rotary Displacement & Turbine Meters	CMET2	Install Exchange Remove & Commission Diaphragm and RPD Meters Up to 16 bar.
22. Commercial Pipework & Fittings	ICPN1	Installation of commercial pipe work (first fix) NG & LPG.
23. Primary Meters up to U6 (6m ³)	MET2	Install Exchange Remove & Commission Domestic Gas Meters (up to U6)
24. L/S Primary Meters up to U6 (6m ³)	MET3 LS	Assessment criteria for Gas Meter Installers (requires pre requisite CMA 2LS)
25. Diaphragm Meters up to U40 (40m ³)	MET4	Install Exchange Remove & Commission Diaphragm Gas Meters NB holders do not need to hold Met1 or Met 2
26. Testing/Commissioning Domestic MP Regulators	REGT1	Installation, Testing & Commissioning Domestic Medium Pressure Regulators & Controls.
27. Testing/Commissioning Commercial MP Regulators	REGT 2	Installation, Testing & Commissioning Commercial Medium Pressure (single and twin stream) Medium Pressure Regulators and Controls.

Table 3 (Liquefied Petroleum Gas (LPG))

Assessment Title (Abbreviated)	ACS Code	Range
28. Core Gas Safety Permanent Dwellings	CCLP1(PD)	Core Domestic Gas Safety Assessment Criteria –LPG
29. Core Gas Safety Residential Park Homes	CCLP1(RPH)	Core Domestic Gas Safety Assessment Criteria –LPG
30. Core Gas Safety Leisure Acc Vehicles	CCLP1(LAV)	Core Domestic Gas Safety Assessment Criteria –LPG
31. Core Gas Safety Boats	CCLP1(B)	Core Domestic Gas Safety Assessment Criteria –LPG
32. External Pipework Core Gas Safety	CCLP1(E/P)	Core Domestic Gas Safety Assessment Criteria –LPG pipe work and vessel connection.
33. LPG Storage Vessels Single Supply	VESLP1	Gas Storage Vessel connections, controls and safety requirements. Sizing external above ground and un-jointed buried below ground (up to 0.1m ³ in volume for single gas supplies.)
34. LPG Storage Vessels Multiple Supply	VESLP2	Gas Storage Vessel connections, controls and safety requirements. Sizing external above ground and un-jointed buried below ground of pipework (more than 0.1 m ³ volume and for multiple gas supplies)
35. Polyethylene Electro fusion Jointing	EFJLP1	Safety assessment used to meet the requirements of jointing gas poly pipe (external) when using electro fusion equipment.
36. Cabinet Heater Core Gas Safety	CCLP1(M/C)	Core Domestic gas safety assessment criteria LPG
37. Mobile Cabinet Heater	CABLP1	Service, repair, breakdown and commission domestic butane gas fired Mobile Cabinet Heaters & Single Bottle Supply Leisure Equipment.
38. Single Bottle Supply Leisure Appliance	LEILP1	Single bottle supply Barbecues, Greenhouse heaters, Gas lighting, Flambeaus' and Patio heaters.
39. Closed Flue Caravan Space Heater	HTRLP2	Install exchange service repair breakdown and commission closed flue gas fire - LPG (Widney Type)
40. Caravan Space Heater	HTRLP3	Install exchange service repair breakdown and commission caravan space heaters -LPG
41. Caravan/Boat Refrigerator	REFLP2	Install exchange service repair breakdown and commission caravan gas refrigerators – LPG.
44. Caravan Water Heater	WATLP2	Install exchange service repair breakdown and commission caravan gas water heaters -LPG
45. Caravan/Boat Warm Air Heater	WAHLP1	Install exchange service repair breakdown and commission boat warm air heaters - LPG
46. Changeover – LPG Permanent Dwelling	CoNGLP1(PD)	Common Fuel changeover Domestic NG To Domestic LPG
47. Changeover – LPG Residential Park Home	CoNGLP1(RPH)	Common Fuel changeover Domestic NG To Domestic LPG
48. Changeover – LPG Leisure Acc Vehicles	CoNGLP1(LAV)	Common Fuel changeover Domestic NG To Domestic LPG
Changeover – LPG Boats	CoNGLP1(B)	Common Fuel changeover Domestic NG To Domestic LPG

Table 4 (Non Domestic)

Assessment Title (Abbreviated)	ACS Code	Range
49. Commercial P/Work Installer (Limited Scope)	COCN1P11LS	Non Domestic Assessment core Pipe installer /commissioner
50. Commercial Core Gas Safety (Heating)	COCN1	Non Domestic Assessment Core Commercial Heating
51. Commercial Core Gas Safety (Catering)	CCCN1	Non Domestic Assessment Core Commercial Catering
52. Commercial Core Gas Safety (Laundry)	CCLNG1	Non Domestic Assessment Core Commercial Laundry
53. Commercial Core Gas Safety (M/Catering)	CoNGLP1CMC	Changeover assessment for commercial mobile catering appliances
54. LS First Fix Appliance Installer	ICAE1LS	Limited Scope Operative Installation of commercial appliances/equipment.
55. Commercial Pipework & Fittings	ICPN1	Limited Scope Operative Installation of commercial pipe work (first fix)
56. Commercial Pipework Installer (L/Scope)	ICPN1LS	Limited Scope Operative Installation of commercial pipe work (first fix) NG & LPG.
57. Testing/Purging Commercial Pipework	TPCP1	Strength/Tightness testing & Direct purging of commercial pipe work up to 16 Bar
58. Testing/Purging Commercial Pipework	TPCP1A	Strength/Tightness testing & purging of low pressure commercial pipework not exceeding 1 ^{1/4} in volume & 40 mbar NG MOP
59. Boosters & Compressors	CBHP1	Commission service repair and breakdown of gas boosters/compressors controls & high pressure pipe work.
60. Commissioning Commercial Plant	CCP1	Commission Indirect Gas Fired Commercial Plant & equipment
61. Direct Fired Heating Appliances	CDGA1	Commission, service, repair & breakdown of Direct Fired heating appliances & equipment
62. Gas Fuelled Engines	CGFE1	Commission, service, repair & breakdown of gas fuelled engines.
63. LPG Mobile Generators	CGLP1	Install Service repair breakdown & commission commercial catering gas vehicle generators
64. Indirect Fired Heating Appliances	CIGA1	Commission, service, repair & breakdown of commercial indirect fired heating appliances & equipment NG & LPG.
65. Commercial Laundry Appliances	CLE1	Install, Exchange, Disconnect, Service , Repair Breakdown & Commission Laundry Equipment
66. Overhead Radiant Tube Heaters	CORT1	Commission, service, repair & breakdown of gas fired commercial overhead Radiant Plaque & Radiant Tube Heaters NG & LPG.
67. Catering Appliances - Ranges	COMCAT1	Install Service Repair Breakdown & Commissioning Catering appliances of type (Ranges open & solid top)
68. Catering Appliances - Steam	COMCAT2	Install Service Repair Breakdown & Commissioning Catering appliances of type(water boilers, pressure steam)
69. Catering Appliances - Fryers	COMCAT3	Install Service Repair Breakdown & Commissioning Catering appliances of type (deep fat fryers)
70. Catering Appliances – Fish/Chips	COMCAT4	Install Service Repair Breakdown & Commissioning Catering appliances of type (fish & chip ranges)

Continued on next page

71. Catering Appliances – Forced draft	COMCAT5	Install Service Repair Breakdown & Commissioning Catering appliances of type (Flue gas analysis testing)
72. Changeover Dom – Non Dom Heating	CoDNCO1	Core Changeover Domestic NG to Commercial NG
73. Changeover Dom – Catering	CoDC1	Change over Domestic NG to Catering NG.
74. Changeover Dom – Catering Appliances	CoCATA1	Changeover Domestic appliance to commercial appliances (excluding appliances covered by COMCAT2)
75. Changeover Dom - Laundry	CoCCLNG1	Changeover Core Domestic NG to Commercial Laundry.

2. The following Guidance Notes are issued to Certification Bodies

<p>Guidance Note 1: Status – Obsolete & withdrawn A / Commercial Gas Safety Assessment Criteria & Practical Assessment Provisions for Natural Gas & Liquefied Petroleum Gas. B/ Specific Commercial Appliance/ Equipment Gas Safety Assessments</p>
<p>Guidance Note 2: Status – Obsolete & withdrawn Gas Safety Assessment Criteria & Practical Assessment Provisions Domestic. A/ changeover Core Assessment Criteria Domestic Natural Gas to Domestic Liquefied Petroleum Gas – CoNGLP1. B/ Core Domestic Liquefied Petroleum Gas Assessment Criteria –CCLP1 C/ Domestic Gas Safety Assessment For Liquefied Petroleum Gas Special Sector Appliance & Equipment.</p>
<p>Guidance Note 3: Status – Status Current Issue 1.0 1/ Domestic Appliances in Commercial Premises 2/ The issue of Conditional Certificates.</p>
<p>Guidance Note 4: Status – Obsolete & withdrawn 1/ Installation of Large Gas Pipework (in excess of 1^{1/4} diameter in Commercial Catering Establishments. 2/ Operatives requiring Commercial Catering Core CCCN1 already holding Commercial Core COCN1 & Vice- Versa.</p>
<p>Guidance Note 5: Status – Status Current Issue 1.0 1/ Domestic Gas Appliances in Commercial Premises. 2/ Commercial Tightness Testing & Purging.</p>
<p>Guidance Note 6: Obsolete & withdrawn Tightness Testing & Purging of Small Low Pressure Commercial Gas Installation Gas Safety Assessment TPCP1 A.</p>
<p>Guidance Note 7: Obsolete & withdrawn Procedure For Dealing with Changeovers Categories where Changeovers Cores are not available.</p>
<p>Guidance Note 8: – Status Current Issue 1.0 Category 1, 2 and 3 Application Conditions.</p>
<p>Guidance Note 9: - Status Current Issue 1.0 ACS Assessor Competency Requirements.</p>
<p>Guidance Note 10: Status Current Issue 1.0 Requirements for Continuing Professional Development (CPD) for IV's and EV's</p>
<p>Guidance Note 11: Status Current Issue 1.0 Presentation of Original Certificates By Candidates to Assessment Centres for either Initial or Re-Assessment</p>
<p>Guidance Note 12: Status Current Issue 1.0 ACS Website Update Procedure</p>

3. ACS Operational Requirements for Certification Bodies – Electronic Web Edition January 2005
